

RESEARCH STUDY OPPORTUNITY

Help us understand preferences for research participation among transgender and gender diverse Veterans.

As a transgender or gender diverse Veteran, you can help improve the research experiences of TGD Veterans and contribute to research to improve healthcare for TGD Veterans. We are seeking up to 500 individuals to participate in this research study.

You may be eligible for this study if the following applies to you:

- (1) Have served in the **U.S. military**
- (2) Not currently on active duty or mobilized on Reserve/National Guard duty
- (3) Are **transgender** or **gender diverse**
- (4) Between the ages of 18 and 89 years old

Please share your experiences by using the link below or the QR code to take our 20-minute, anonymous survey.
